The Begonia makes the move-up to an Oasis worth the trip! A formal living room may be converted to a home office or guest suite with addition of a shower to the main floor powder room. The extended nook offers a “sun room” feel and wonderful gathering place. For extended vehicles or boats (or extra storage) the 3-car garage you’ll find truly handy. Visit one of our model homes today and ask our Community Managers about the many other exciting features this plan has to offer!

**What you’ll like about Oasis:**

- ◆ Dramatic, craftsman-style architecture
- ◆ Architect-selected exterior home colors
- ◆ 1 and 2-story plans with master up & down
- ◆ Hundreds of pre-priced options to help customize your home
- ◆ Meet with our interiors experts to select exciting flooring & counter tops
- ◆ Make plan changes, right up ‘til the pre-construction meeting
- ◆ Meet the Builder prior to construction
- ◆ See for yourself what the real estate community knows: Oasis is the... “Builder of Choice”
